20 TERMINATION

- 20.1 The Customer may not cancel any Order for Supplies for which a written acknowledgment of the Order has been issued by the Company and if the Customer cancels, or purports to cancel

any such Order (or the Contract or any part thereof), then the Company may, by notice in writing to the Customer, elect to treat the Contract as repudiated.

20.2 Without prejudice to any other rights or remedies which it may have, either party may terminate the Contract without liability to the other immediately on giving written notice if:

20.2.1 the Customer fails to pay any amount due under the Contract on the due date for payment and remains in default not less than 7 days after being notified in writing to make such payment;

20.2.2 one party commits a material breach of its obligations under the Contract and (if such a breach is remediable) fails to remedy that breach within 30 days after the receipt of notice in writing to do so;

20.2.4 the other party's financial position deteriorates so far as to reasonably justify the opinion that its ability to give effect to the terms of the Contract is in jeopardy;

20.2.5 the other party takes any step or action in connection with its entering administration, provisional liquidation or any composition or arrangement with its creditors (other than in relation to a solvent restructuring), obtaining a moratorium, being wound up (whether voluntarily or by order of the court, unless for the purpose of a solvent restructuring), having a receiver appointed to any of its assets or ceasing to carry on business or, if the step or action is taken in another jurisdiction, in connection with any analogous procedure in the relevant jurisdiction;

20.2.6 the Customer suspends, or threatens to suspend, payment of its debts or is unable to pay its debts as they fall due or admits inability to pay its debts or (being a company) is deemed unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 or (being a natural person) is deemed either unable to pay its debts or as having no reasonable prospect of so doing, in either case, within the meaning of section 268 of the Insolvency Act 1986 or (being a partnership) has any partner to whom any of the foregoing apply;

20.2.7 a floating charge holder over the assets of the Customer has become entitled to appoint or has appointed an administrative receiver;

20.2.8 a creditor or encumbrancer of the Customer attaches or takes possession of, or a distress, execution, sequestration or other such process is levied or enforced on or sued against, the whole or any part of its assets and such attachment or process is not discharged within 14 days;

20.2.9 any event occurs, or proceeding is taken, with respect to the Customer in any jurisdiction to which it is subject that has an effect equivalent or similar to any of the events mentioned in this Condition; or

21 CONSEQUENCES OF TERMINATION

21.1 On termination by the Company pursuant to Condition 20.2:

- 21.1.1 the Customer shall pay to the Company at the rates specified in the Quotation (or if not so specified at the Company's standard rates) for all work done, materials used and Supplies provided or performed up to and including the date of termination, regardless of whether the Customer has received benefit; and
- 21.1.2 the Customer shall in addition indemnify the Company against any Losses incurred by the Company in connection with the non-performance of the Contract including the cost of any material, plant or tools used or intended to be used and the cost of labour and other overheads including a percentage in respect of profit.
- 21.2 On any termination of the Contract:
- 21.2.1 the Customer shall immediately pay to the Company all of the Company's outstanding unpaid invoices;
- 21.2.2 in respect of Supplies provided but for which no invoice has been submitted, the Company shall submit an invoice, which shall be payable by the Customer immediately on receipt;
- 21.2.3 the Customer shall promptly return all Supplies and Output Material which have not been fully paid for, and if the Customer fails to do so immediately on request, then:
- a) the Company may enter the Customer's premises and take possession of them; and
 - b) until they have been returned or repossessed, the Customer shall be solely responsible for their safe keeping and will not use them for any purpose not connected with the Contract and the Customer will certify compliance with this Condition in writing if requested to do so by the Company;
- 21.2.4 the Customer shall promptly return to the Company all documents and materials (and any copies) containing the Customer's Confidential Information; and
- 21.2.5 the Customer shall promptly erase all of the Company's Confidential Information from its computer systems.
- 21.3 Termination or expiry of the Contract shall not affect any rights, remedies, obligations and liabilities of the parties that have accrued up to the date of termination or expiry, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry.
- 21.4 Any provision of the Contract that expressly or by implication is intended to have effect after termination or expiry shall continue in full force and effect.

22 FORCE MAJEURE

- 22.1 Neither party shall have any liability to the other under the Contract if it is prevented from, or delayed in performing, its obligations under the Contract if such delay or failure results from events, circumstances or causes beyond its reasonable control including (without limitation) strikes, lock-outs or other industrial disputes (whether involving the workforce of the Company or any other party), failure of a utility service or transport network, act of God, pandemic, epidemic, war, riot, civil commotion, malicious damage, compliance with any law or governmental order, rule, regulation or direction, accident, breakdown of plant or machinery, fire, flood, storm or default of any suppliers or subcontractors.

23 ASSIGNMENT

- 23.1 The Customer shall not, without the prior written consent of the Company, assign, transfer, charge, mortgage, subcontract or deal in any manner with all or any of its rights or obligations under the Contract.
- 23.2 The Company may at any time assign, transfer, charge, mortgage, subcontract or deal in any other manner with all or any of its rights under the Contract and may subcontract or delegate in any manner any or all of its obligations under the Contract.

24 NOTICES

- 24.1 Any notice or other communication given to a party under or in connection with the Contract shall be in writing, shall include the "Quote Number" as stated on the Quotation, and shall be:
- 24.1.1 delivered by hand or by pre-paid first-class post or other next working day delivery service at its registered office (if a company) or the address specified in the Quotation or such other address as may be notified by one party to the other; or
- 24.1.2 sent by email to Accounts@designreality.co.uk (unless otherwise specified in the Quotation)
- 24.2 Communications addressed to the Company shall be marked for the attention of the person at the Company identified on the Quotation.
- 24.3 Any notice or communication shall be deemed to have been received:

- 24.3.2 if sent by pre-paid first-class post or other next working day delivery service, at 9.00 am on the second Business Day after posting; or

- 24.4 This Condition does not apply to the service of any proceedings or other documents in any legal action or, where applicable, any arbitration or other method of dispute resolution.

25 SEVERANCE

- 25.1 If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed deleted, but that shall not affect the validity and enforceability of the rest of the Contract. If any provision or part provision of the Contract is deemed deleted under this Condition the parties shall negotiate in good faith to agree a replacement provision that, to the greatest extent possible, achieves the commercial result of the original provision.

26 WAIVER

- 26.1 A waiver of any right under the Contract is only effective if it is in writing and it applies only to the circumstances for which it is given. No failure or delay by a party in exercising any right or remedy under the Contract or by law shall constitute a waiver of that (or any other) right or remedy, nor preclude or restrict its further exercise. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that (or any other) right or remedy.
- 26.2 Unless specifically provided otherwise, rights arising under the Contract are cumulative and do not exclude rights provided by law.

27 NO PARTNERSHIP OR AGENCY

27.1 Nothing in the Contract is intended to, or shall be deemed to, establish any partnership or joint venture between the parties, constitute either party the agent of the other, or authorise either party to make or enter into any commitments for or on behalf of the other party. Each party confirms it is acting on its own behalf and not for the benefit of any other person.

28 ENTIRE AGREEMENT

28.1 The Contract constitutes the whole agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between the parties, whether written or oral, relating to its subject matter.

28.2 Each party acknowledges that in entering into the Contract it does not rely on, and shall have no remedies in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in the Contract. Each party agrees that it shall have no claim for innocent or negligent misrepresentation based on any statement in the Contract.

29 THIRD PARTY RIGHTS

29.1 Unless it expressly states otherwise, the Contract does not give rise to any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Contract.

30 VARIATION

30.1 The Company may, from time to time and without notice, change the Supplies in order to comply with any applicable safety or statutory requirements, provided that such changes do not materially affect the nature, scope of, or the charges for the Supplies. If the Company requests a change to the scope of the Supplies for any other reason, the Customer shall not unreasonably withhold or delay consent to it.

30.2 Except as set out in these Conditions, no variation of the Contract shall be effective unless it is agreed in writing and signed by the parties (or their authorised representatives).

31 COUNTERPARTS

31.1 Any contract made on the basis of these Conditions may be executed in any number of counterparts, each of which when executed and delivered shall constitute a duplicate original, but all the counterparts shall together constitute the one contract.

32 GOVERNING LAW AND JURISDICTION

32.1 The Contract and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the law of England and Wales.

32.2 Each party irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with the Contract or its subject matter or formation.
